Dear Brothers and Sisters,

As the membership may be aware, on April 1st, 2022, I am being appointed as the Business Manger until the Local is able to regain self-governance, which I hope is something that can be achieved in the very near future. I have been advised that when COVID-19 restrictions loosen, we will have a meeting and UA Canada will address the membership regarding the steps our Local will need to take to be able to self-govern once again. This is the ultimate goal for our Local.

I want to thank Brother, Rick Walker, for the knowledge and guidance he has given me in the last three years. I would also like to announce that Jeff Dymont will be moving into the role of acting Business Agent. Knowing Jeff's background in the trades and union, he will be a great asset to the Local.

My door is always open at the hall and my phone is always on (506-645-9370). You can also reach me by email: jamie.fowler@ualocal213.ca. Please do not hesitate to reach out if you would like any information or have any questions.

Fraternally yours,

Jamie Fowler
